Employer Cost & Participation Information

for IMRF Members, IMRF Employers, Public Officials, Media and General Public

The Illinois Pension Code requires IMRF to post certain employer cost and participation information on its website. IMRF will update these reports annually.

- **Employer Contribution Amounts:** The amount of employer contributions each employer made from 1/1/1995 to present (searchable spreadsheet)
- **Employer Contribution Rates:** Each employer's contribution rates for the current year and one year after (searchable spreadsheet)
- **Participating Employers:** A list of all employers and the date each employer joined IMRF (searchable spreadsheet)
- **Employer Resolutions:** Required participation resolutions for employers that joined on or after 1/1/1995 (searchable PDF)

Also, **the Illinois Pension Code** requires all IMRF employers with a website must include a link to this web page, no later than January 1 each year.
