This year we will be joined by Hinckley, Shabbona and Lee!

Waterman Area Heritage Society

The Waterman Area Heritage Society would like to thank the generous businesses and community members for the prize donations to the recent Christmas drawing. In the planning stage the goal was to have 50 prizes to give away and we received over 90 prize donations! It is an annual event we are pleased to have brought back. Like all first year events it was a learning year. We'd appreciate your input to possibly improve the event for next year. We have a Facebook page and our email address is watermanareaheritatesociety@gmail.com. Reminder the museum is open on Saturdays from 1-3pm.

Village of Waterman
Mandatory Cross Connection Control Survey is enclosed

The water system is required by the EPA to have a Cross Connection Control Program in place. Part of the program is a mandatory Bi-Annual Cross Connection Control Survey to be filled out by all residents and businesses connected to the water system.

Cross Connection Control, Ordinance
Municipal / Private Water Company Regulations on Cross-Connection Control

SECTION II. VIOLATIONS

A. The Superintendent of Water shall deny or discontinue, after reasonable notice to the occupants thereof, the water service to any premises where any cross-connection control survey is not completed and turned in or backflow prevention device required by these regulations is not installed, tested, maintained and repaired to a manner acceptable to the Superintendent of Water, or if it is found that the backflow prevention device has been removed or bypassed, or if an unexpected cross-connection exists on the premises, or if a low pressure cut off required by these regulations is not installed and maintained in working order.

B. Water service to such premises shall not be restored until the consumer has completed, corrected or eliminated such conditions or defects in conformance with these regulations and to the satisfaction of the Superintendent of Water, and the required reconnection fee is paid.

Please take the time to fill out this survey and return it with your water bill.

Dog Ordinance

Village ordinance prohibits dogs from running loose. Dogs must be kept on a leash or tied when not on the owner's premises (this includes the parks). Any dog caught running loose will be brought to the Village Hall for pickup by DeKalb County Animal Control. Owners will be liable to DeKalb County for boarding fees, pick up fees and rabies vaccination. Dog walkers are responsible to pick up the pet's waste! Violators will be fined.

Winter Is Here

Parking during snowfall; Snow routes: No person shall park any motor vehicle of any class on any street in the village after two inches (2") of snow has fallen, until such time as the snow has been plowed to the side of the street in the following locations which are designated snow routes in the village:

Birch Street between Lincoln Highway and George Cies Way

Cedar Street between Lincoln Highway and George Cies Way

Lincoln Highway between the east village limits to the west village limits

Any street in the village with curbing on both sides

Any vehicle found illegally parked under this subsection may be towed away under the order of either the Police Department or the Public Works Department, and in addition to the fine, the violator or owner of the vehicle shall pay any necessary towing and storage charges to the towing agency prior to regaining possession of his/her vehicle.

The Police Department may issue tickets for parking violations of this subsection; however, no snow parking tickets shall be issued between nine o'clock (9:00) P.M. and four o'clock (4:00) A.M. if snow commences after nine o'clock (9:00) P.M. and accumulates to two inches (2") or more before four o'clock (4:00) A.M.

Safe Built

Safe Built is contracted by the Village for building inspections. Permit applications may be picked up at the Village Hall or on our website, but Safe Built will issue all permits and do the inspections. Permits are needed for new construction, additions, remodeling, siding, roofs, sheds, fences, decks, swimming pools, and electric. If you are not sure if a permit is required or have questions, please call Safe Built at 815-255-9047.

Boy Scout Troop 39

Troop 39 thanks the community for attending the annual pancake breakfast on Dec. 8. Watch for flyers in March for "Scouting for Food". Cub Scout Pack 339 will distribute flyers and Boy Scout Troop 39 will collect donations. The troop will have their 11th Annual Mulch & Flower Basket Sale this spring. Watch for flyers and ordering information in April.

How Can We Help You?

Qualified families are able to receive food from the N.I.C.E. food pantry 2 Saturdays each month. The amount of food given depends on the family size. The clothing room is open to the public and you will not be asked for the food pantry to get clothing and household items.

Village of Waterman Residents:

This letter is regarding the December 3, 2018 water bill you most recently received. We have heard your concerns and wanted to explain the issues that made the bill confusing. We would like to share more detail and explain them.

1. Earlier last year a billing system issue caused many residents to be billed incorrectly for water usage on the February 1, 2018-April 30, 2018 quarterly bill. The billing system flipped previous and current meter reads which caused the water usage to show as zero. Per the village ordinance, there is a minimum charge for 6,000 gallons of water and that was charged on that bill. Those affected by this issue will receive a credit of \$60.54 toward their next bill (February 2019).

2. During the May 1, 2018-July 31, 2018 billing cycle, a system upgrade took place and actual meter reads were not possible. The system used an estimate for usage. When the system estimates the usage it underestimates the usage to avoid overcharging.

3. The current bill was delayed due to purchasing new, updated meter readers. Meaning the recently issued bill is for four months, not three. Specifically, your current bill is from August 1, 2018-December 3, 2018. This means your next bill will only be for 2 months, December 4, 2018-January 31, 2019.

4. On your bill, the "Bill From" represents the last date a bill was mailed and "Bill To" dates represents most recent meter read. They do not represent usage dates. We apologize for the misleading dates this past billing cycle.

5. For this past billing cycle the actual usage is based on the last meter read in February 2018 and the current read which was completed on December 3, 2018, subtracting the estimated amounts from the May 1, 2018- July 31, 2018 bill that were already charged. Again anyone who was effected by the minimum charge billing issued discussed in item #1 above will receive their credit next bill cycle.

We understand your frustrations and as residents of the community we are not immune to our own billing issues. We have agreed to waive late charges for this billing cycle and if you need to set up a payment plan please contact the village clerk. We also encourage all residents to verify your meter reads within a few thousand gallons of the actual meter read on your current bill. If you discover an issue with this or have any other questions please contact the village clerk.

We are confident the reading equipment and software issues have now been addressed and we will move forward with actual water usage reads on the following quarterly schedule: Bills will be mailed within 2 weeks of the end of the billing cycle. Payments are due 30 days after the bills are received and bill will reflect due date.

Feb 1 - April 30

May 1 - July 31

August 1 - October 31

November 1 - January 31

Respectfully Yours,
Waterman Village Board

Waterman Community Chest

It is that time of year for the annual fundraising drive for your Waterman Community Chest. Last year you helped us achieve just over 70% of our goal! With your continued support, we are confident that we will meet this year's goal of \$10,000.

Your Waterman Community Chest supports non-profit organizations and groups that provide services for the people in and around the Waterman area. It is through each person's generosity that the quality of life is improved for all generations of people in your neighborhood.

The Waterman Community Chest is a qualified tax-exempt charitable organization under section 501(c)3 of the Internal Revenue Code. Contributions are tax deductible to the extent allowable by law.

WOW

WOW will return on Thursday, January 17th, 2019, with a Movie Kick-Off, with the following Thursday, January 24th, we will resume our study on "Acts: Kingdom Power". This study is guiding us through the birth of the Church and the dynamic principles which enabled Jesus' followers to change the world. Along with our study guide book, we are also using teaching videos by Ray Vanderlaan which challenge us to be true followers of Jesus and help us proclaim the 'Good News' in the midst of a world of false gospels.

It's not too late to enroll for this study! We have only completed 2 weeks of this 10 week study. Cost is \$12, scholarships available. Our sessions begin at either 9 a.m. (Children's Program available) or 6:45 p.m.

WOW will have a final Spring event on April 18, 2019, with further planning ongoing.

For more information to register, or for a ride, please contact Sue Hipple at 815.264.3979 or sjhipple23@gmail.com.
