New Business:

Committee reviewed Ordinance 2023-14, regarding restricted parking in Green Ridge. Discussion ensued regarding the pros and cons of restricting parking to only the south and east side of streets in Green Ridge to allow for access for emergency vehicles and the plow truck to salt and clear the streets when snowfall is under 2".

Committee recommends tabling this ordinance. Manager Nykaza will create a letter from the Village to all residents of Green Ridge regarding parking issues and asking them to be more diligent about not parking where they will be limiting street width to less than 18' as stated in Villages existing ordinance. If parking issues continue to exist, the committee will revisit Ordinance 2023-14.
